World Want Way.

helpless cripples, with crooked limbs and shat-

tered nerves. There is no limit to its powers for

evil; not a fibre of the body is beyond the reach

of the dangerous acids and poisons circulating

in the blood; the valves of the heart are often

more serious. Rheumatism does not always

come on suddenly; its growth is often gradual.

Little pains begin tugging at the muscles or

wandering from joint to joint as winter ap-

proaches, or the weather is unsettled and change-

while the disease is left to pursue its destructive work.
